HONOURS ARTS

ENDLESS POSSIBILITIES IN ARTS

Join a cohort of changemakers and leaders who are inspired to make the world a better place. By harnessing the power of a liberal arts education, you'll learn to ask the right questions, understand complex challenges and find creative solutions, all while pursuing your passion and purpose.

HOW AN ARTS DEGREE WORKS

MAJOR

Choose at least one Honours major as your focus – or choose two to complete a double major. See page 5 for majors. You may also complete a topic specialization or intensive specialization, which involves taking four to six courses that deepen your knowledge in a specific area of your major.

REMAINING COURSES

The number of courses you'll have for a minor or electives depends on how many of your major, business and breadth courses overlap.

- > Take eight courses in one area to complete a minor. Pursuing a minor (or two) is optional and counts toward your 40 degree courses. See page 5 for minors.
- > Choose elective courses outside your major or minor to enhance your learning and build your unique degree. Electives count toward your 40 degree courses.
- > The breadth requirement is made up of 10 required courses that ensure a well-rounded degree. Depending on the subjects you choose, these courses may count toward your major or minor.

BUSINESS COURSES

Choosing Honours Arts and Business? You'll learn how to be an integral part of any successful organization by taking 14 required courses. See page 5 for the full list.

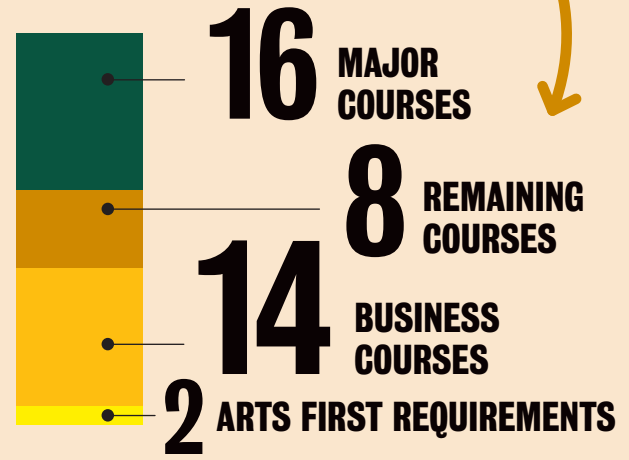

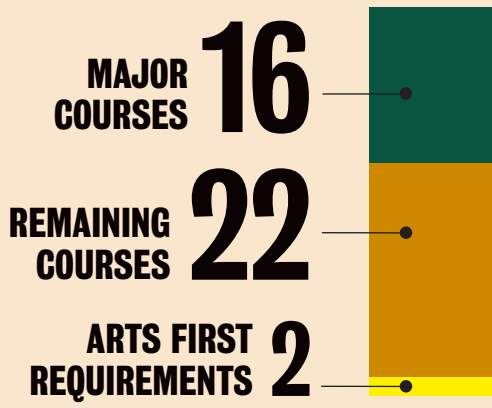

ARTS FIRST REQUIREMENTS

Arts First is a course-based program that strengthens your communication and analytical skills. You'll take two courses to complete this requirement: one in the fall term and one in the winter term of your first year.

ACADEMIC SUCCESS

PEERS GUIDE THE WAY

PERSONAL SUPPORTS

DEEPEN YOUR SPIRITUAL CONNECTION

In Campus Ministry, spiritual and personal growth are central to your university journey. Explore community-building, volunteer and worship opportunities and visit our Spirituality Centre for quiet, reflective space that's open to students of all faiths, beliefs and backgrounds.

YOUR WELLNESS MATTERS

St. Jerome's is one of the few University Colleges in Ontario to have its own Wellness Co-ordinator. You'll enjoy on-campus wellness programming, confidential appointments, and having a friendly face you know you can turn to when you need support. Your Wellness Co-ordinator is also an expert at connecting you with the resources available at Waterloo, and within the Kitchener / Waterloo Region.

GUIDANCE AT YOUR DOORSTEP

You may be living away from home for the first time, but there's no need to stress with academic, social and personal support available just down the hall. Residence Dons are upper-year students who live in your residence, plan social events, connect you to resources and offer a listening ear.
